

DIGITAL MARKETING FIRMS

Overview

A digital marketing agency backed by a highly regarded Chicago-based private equity firm is seeking to invest in or acquire another digital marketing agency.

The objective is to build a large, dominant player in the industry through additional acquisitions.

The focus is primarily on firms that provide online services that drive traffic or commerce and which service mid-sized or small enterprise commercial clients.

The seller may choose to continue to work at the company or exit and may also choose to retain equity in the company or sell all equity for cash.
